StMark's
KENSAL RISE
GO DEEPER

Thank you for considering the **Kids' & Community Worker** role at St Mark's, Kensal Rise!

For over a year, we've been praying for the right moment to appoint someone to this role—we're excited that our congregation has caught the vision and funded a post for a minimum of three-years. If you are passionate about helping children and families go deeper in faith and have the experience to develop new ministries and projects, then we may have been praying for you!

St Mark's is a growing, diverse Anglican church serving Kensal Rise and Harlesden. Our parish is small, but over 1,000 children attend three primary schools and a large nursery within a mile of our church. Each Sunday, we welcome over 40 under-12s, making St. Mark's one of the largest children's churches in our borough. Remarkably, this ministry has been built and sustained entirely by volunteers: 30 committed team members run and grow 3 age-groups, which shows how deeply we all believe in children's ministry.

Children's ministry is not a side-project at St Mark's, rather God is calling us to go deeper in our ministry among young families by becoming:

- A joyful church where children learn to follow Jesus while being known, loved, & safe
- A blessing to local schools, through partnership, presence, and pastoral care
- Good news to families in hardship, through compassionate support and outreach

If that vision excites you—and you have professional experience in children's ministry, school work, or community outreach—we'd love to hear from you. You'll be supported by an experienced staff team (including paid Safeguarding Officer) and over 30 volunteers. We want this role to work for you, so will shape the work to your strengths, holiday pattern, and other commitments.

We are advertising this position at two different levels: 'Lead', for trained and experienced ministers; 'Worker', for those who want to be trained towards the Lead role. Please read both job descriptions carefully and apply for the role that matches your experience. To apply, please complete i) a CV and ii) the application form (found at StMKR.org), highlighting how your experience fits the role description below, and send it to admin@stmkr.org. We are hoping to recruit for someone this summer or September 2026. For questions or an informal chat please email me directly at Dave@stmkr.org.

With every blessing,

Dave Roberts
Vicar, St Mark's Kensal Rise

Job Description: Kids' & Community Worker

Role Summary:

- Key Objective:** To encourage the children and families in Kensal Rise and Harlesden to go deeper in their faith by
1. Leading the team which delivers excellent Sunday Kid's groups;
 2. Building relationships and launching a community project to support schools and families in our parish.
- Over time we hope that these projects will lead to demand for a new worshipping community in the church. We hope that this would be exciting to a potential candidate who would be part of this team.
- Responsible to:** The PCC of St Mark's Church
- Line Managed by:** Vicar (or Church Wardens during vacancies)
- Working Hours:** Between 18-24 hours a week plus opportunity for training towards kids-work qualification.
- Location of work:** We offer a flexible working pattern with core hours on Wednesdays and Sundays. Most work from the St Mark's Church office.
- Contract Type:** 36-month fixed-term contract, renewable subject to funding & review
- Salary:** £25-32k per year FTE (based on experience) pro-rata'd *plus* full payment of costs for suitable training in Kid's work for churches (London Apprentice Programme, or St Mellitus Future Generations pathway)
- Holiday:** 5 weeks pro-rata (max 5 Sundays) OR 10-weeks during school holidays with 10% increase in working hours during term time.
- We expect this person to want to be at church on Sundays during term time and encourage holiday in School Holidays
- Start Date:** June - September 2026

Core Responsibilities

1. Oversee Children's Sunday Worship

- Develop curriculum for outstanding Sunday Morning kids' groups 3 times per month during School term time (Explorers - Key stage 1; Adventurers - Key Stage 2); this should usually relate to the preaching series of the church.
- Lead and support volunteers across Sunday groups (Creche, Explorers, Adventurers), including recruitment, onboarding, training, and forming community among volunteers. This will include managing rotas and teams as well as ensuring safeguarding best practice and termly or annual meetings [note: it is not a requirement of the role to lead one of these groups every week]
- Integrate children meaningfully into the wider church life and services, especially for all age services. 10 services a year are all-age services and you will be central to planning these services with a team.
- Create safe, guided opportunities for older children and youth to serve in Kid's church to model a culture of service
- Curate a clear discipleship pathway for children as they progress through each stage of Kid's Church and finding moments to prepare for and celebrate these milestones
- Ensure everything is prepared for Sunday Children's church and the leaders are prepared to succeed with check-in and running of the group. This includes looking after craft supplies and communicating with the team.

2. Oversee our kids' outreach events

Be part of the team to plan, recruit, and execute a range of regular, well-attended Kid's events including:

- Light Party (31st October),
 - Crib service (24th December),
 - Family Hour at the Cross (Good Friday)
- Support of the weekly Parents and Toddlers group to befriend and connect with parents.

3. Schools and Community Engagement

In Term-time: We want to offer the services we give to our church school (Princess Frederica) to the other primary schools in the parish. To do so we need someone who can:

- Lead regular school assemblies and coordinate church-based services and visits, including working with volunteers to support.
- Be open to partner with schools in emerging opportunities as they arise, including RE curriculum.

We are impacted by the statistic that 40% of kids in Brent experience food poverty, and feel led to use our connections with schools and toddlers to play our part. So far we have run

'Love Christmas' to send Christmas Hampers to 60 families, and we have had early discussions with Make Lunch to think about holiday hunger. A key part of this role is to be part of a team to connect this opportunity to the need, and pioneer something which will make a difference in Kensal Rise and Harlesden..

- Take a significant role in the pioneer team leading a project to address food poverty in the parish
- Coordinate volunteers, ensure safeguarding and food standards are met.
- Welcome and build relationships with vulnerable and isolated families who come and organize activities for the children.
- Actively signpost guests to relevant support and agencies for their family wellbeing

4. Contribute to the life of the St Mark's team (2 hours per week)

- Attend weekly team-time, and regular one-to-one meetings with your line manager (once per fortnight)
- Stay up to date with mandatory Safeguarding training, and helpful training for professional development
- Submit reports to our PCC (trustees) for the annual report and once a year at a PCC meeting

note: Participation in regular activities outside of core hours is encouraged but not necessary nor part of paid core hours. Examples include prayer meetings, small groups, and other fellowship groups.

Training for Children's Leadership

We think St Mark's is called to help develop people in their vocations, so we would like to offer the time and space for you to get qualified in Kid's work and plot a course for you to take a promotion into a leadership role.

To do this, We would offer the costs towards an agreed programme of study through St Mellitus College or CMS as well as coaching from our team of experienced volunteers. The precise nature of this training would be negotiated up on the successful interview.

Person Specification

Faith Requirements

- It is a genuine occupational requirement that this role be filled by someone of active Christian faith; we seek a mature and growing disciple of Jesus - committed to prayer, Scripture, and working in the power of the Holy Spirit
- Passionate about helping children and families grow in faith in Jesus
- Aligned to the vision and values of St Mark's Church

Qualifications and Experience

Required:

- Recent experience of working with children (which could be in a church or non-church context) in a professional capacity or as a significant volunteer leader
- Experience of recruiting and leading motivated teams of volunteers or delivering a team project
- Experience of setting a positive culture in your area of leadership and managing disputes and unforeseen issues

Desirable:

- Formal theological or children's ministry training
- Experience of community projects as a volunteer or leader
- Professional Safeguarding experience
- First aid training

Skills and Personal Qualities

Required:

- A gifted communicator, especially with children and parents
- An organized, self-motivated person who can proactively manage priorities
- Comfortable with flexible working, including Sundays and special events
- Good IT skills, especially in managing rotas (we use Churchsuite), using email, and creating user-friendly documents on word, and PowerPoint

Desirable:

- Creative gifts e.g. music, drama, storytelling
- Practical familiarity with safeguarding processes and interventions
- Experience working with children with a wide variety of learning needs

Benefits to you:

- Career development or career change to build towards leadership level roles.
- Join a team which is full of life and ideas (with over 40 kids each Sunday and over 30 volunteers), and take it to the next level
- Partnerships with 3 primary schools and local scouts makes this one of the best opportunities for kids ministry and outreach in London!
- Seeing the fruit of releasing young people into their full potential in Christ.
- Being part of a team including supportive, regular line management; including volunteers we have 8 at our weekly team-time meeting.
- Benefit from paid safeguarding officer and administrator, whose role includes all DBS processing
- We enjoy excellent relationships with our Church of England Chapter which offers fellowship and training opportunities, as well as 8 local churches in Harlesden for partnerships
- Employee Pension Scheme

Safeguarding and Inclusivity

St Mark's Church is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. The role is subject to an Enhanced DBS check and comprehensive safer recruitment process. We value our diversity and would encourage applications from people who feel they are not well represented in the Church of England or at St Mark's.
